The Unconventional Awards 2024

Summary

ID: 2024-3248041320

Labels: Community

Entry Form 2024

Completed - Jul 4 2024

Ways to make your submission stand out

Showcase how your entry:

- Is Original/Creative: unique, first to market in the industry
- Embraces Unconventional DNA: delivers business value, cuts costs, improves efficiencies, improves operations
- Demonstrates Impact: ROI, new revenue streams
- Highlights Technology: 5G, IoT, edge computing, security, remote work, productivity solutions, etc.
- Bonus for the use of AI

Share supporting evidence:

- Share a link or upload a short (2 to 3 minute) video where you tell your story
- Upload a document further explaining your entry

Caution – the information you submit may be viewed by the public. Please do not share private information.

Entry Form 2024

Will your company be attending Mobile World Congress?

Yes

Select Your Organization type

T-Mobile for Government Customer

As a T-Mobile for Government Customer you will be entered into the Innovation in Community award category which recognizes disruptors in Government, Education, and Public Safety who bring new innovations to their organizations.

Every participant in the Unconventional Awards has a chance to win the Tipping Point Designation. Malcolm Gladwell will review all entries and among the submissions, one will stand out as an entry that embodies the essence of the Tipping Point.

Tell us why you think you should win

Please keep your response between 250 and 500 words.
